MEMORANDUM FOR "F" BRANCH:

**Subj: Utilization of Organized Reserve Intelligence Officer
Personnel in "F" Branch of ONI during fiscal year 1947.**

1. Reserve Intelligence Officers can be ordered on a volunteer basis for two week training periods in ONI. It is proposed to utilize such Officers as may be made available to alleviate the present work load and vacancies now existing by this means. It is felt that the present state of training of these officers who have only recently been demobilized is such that their services would prove especially valuable in special assignments such as preparing manuals, giving lectures or on similar specific details.

2. It is desired that all sections survey their present and future needs and submit as soon as practicable, specific requests insofar as practicable, for such officers in the following form:

Column I	<u>Name of Officer</u>
Column II	<u>Rank</u>
Column III	<u>Calendar period that services can best be employed</u>
Column IV	<u>Type of work or billet</u>

3. Officers having had previous duty in the "F" Branch or on Foreign Posts and who are now in the Organized Reserve will ordinarily be the principal source for "F" Branch requests.
